Description

Clulite HL21 Focus2Go Rechargeable Head Torch

Safe and practical, make light work with this Focus Beam Rechargeable Headlight which can also run off AAA batteries for back-up power.

Suitable for both indoor & outdoor use, it weighs in at just 95g and delivers an impressive 500 lumens across 5 light modes from focus control to narrow spot.

Rotating vertically through 90°, there is an additional red side light and LED indicator showing battery capacity / charging status.

Easy to operate, the harness is fully adjustable for a comfort snug fit which can also be modified to fit a hard hat or helmet.

Duration 2.5 hours continuous on high beam. Direct plug to recharge by micro USB.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
