Description

Sealey AK303 45pc Metric Tap & Die Set

22-40982

Sealey AK303 45pc Metric Tap & Die Set

Premium quality, precision machined, Tungsten steel taps and dies.

Dies are split to facilitate the fine adjustment of core diameter.

Set includes metric coarse and fine sizes.

Also includes sliding jaw type tap wrench and T-Bar type tap wrench together with steel die holder with knurled screws.

All neatly housed in a robust bespoke outer carry case for convenience and safe storage.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
