

STEIN Ground Worker Helmet

SN-SS-AJF030-00-800-H1

Our Price: £41.62

Description

STEIN Ground Worker Helmet

A high level ground helmet from STEIN Certified to EN397.

Features a traditional 6-point polyethylene harness with three levels of height adjustment for added comfort and the OneTouch slip ratchet adjustment system. For added convenience, the adjustment system allows for the helmet to be adjusted whilst fitted.

Supplied with HELLBERG SAFE 2 (29snr) Ear Defenders and Metal Mesh Face Visor as standard plus self-application reflective Sticker Kit conforming to Class R2 EN12899-1.

We are able to offer zero rate VAT on safety helmets & boots purchased by an individual for his/her own use. Please use voucher code novat when you check out.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
