Description

Briggs & Stratton Genuine Oil Removal Kit 4 Litre

Specifically designed for Briggs & Stratton products, this oil removal kit will provide everything required to successfully drain oil cleanly and efficiently.

Includes vacuum pump, 4L container with lids, hose with shut-off clip and funnel to ensure safe and clean removal of oil from all engine types.

Please note pump should only be used to for removal of oil, not for storage.

Any used oil can be returned to a proper collection centre.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
