Roughneck 67755 Small Post Hole Rammer

39-30205

Our Price: £58

Description

Roughneck 67755 Small Post Hole Rammer

This high quality, tubular, two handled fence post driver makes it easy to work metal posts into the ground without damaging.

Manufactured from heavy duty steel with a powder coated finish, the tubes inner diameter measures 68mm across and can drive angular, tubular, square metal posts.

A cost effective alternative for Farmers, Landscapers, Fencing Contractors & Small Holders when the terrain is soft enough to manual handle.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
