

Levington Original Gro-Bag 27L

31-28036

Our Price: £4

Description

Levington Original Gro-Bag 27L

The first Original Gro-Bag, est.1973 is a traditional formulation of composted manures and mineral fertilisers that increase the harvest yield.

Perfect for vegetable crops, growing tasty tomatoes, peppers, aubergines, cucumbers, green beans and melons.

Sufficient spacing to plant and nurture x 3 healthy plants.

For Planting: Shake the bag to distribute the contents. When only planting 2 plants, use the end panels. Delay planting tomatoes until the first flower opens.

For Feeding: We recommend feeding with 20ml of Levington® Tomorite Concentrated Tomato Food diluted in 4.5 litres (1 gallon) of water for most crops. Feed hungry plants such as tomatoes under glass once a week.

100% Recyclable Bag.

We have a great range of products to help you create your perfect garden, so why not browse our huge Garden Collection today.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
