## Description

### Lifestyle Enders Commercial Patio Heater Stainless Steel

**\*\*\* If you require cylinder hire please speak to your local store before purchase \*\*\***

Perfect for the Hospitality Industry and an exciting addition to the Lifestyle Range, Enders® have equipped this heater with essentials and more...

Ensuring a pleasant and safe experience at your venue, this Commercial Heater features a Flame Failure device system as well as an Anti-Tilt shut off sensor.

Happily taking centre stage of your outdoor space with its elegant and contemporary design, its lacquered stainless-steel finish also equips the heater to take on the elements all year round.

Also equipped with a retractable column for space saving storage & transport, along with lockable door & chain.

\*Flame Failure device – the gas will cut off if the oxygen levels are too low or if the cabinet should fall over.

**Overall Dimensions:** Diameter: 88cms | Height: 230cms.

Gas Hose and Propane Clip-on Regulator included.

Assembly required.

Available for click & collect, Courier or local home delivery @ a standard charge of £18.00. Don't forget to organise the Gas!

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
