Le Chateau Padded Dog Bed Vert Chateau

Cool in summer, warm in winter, this 1000 denier, scratch-resistant dog bed comes in four different sizes to perfectly suit the canine companion in your life.

The firm foam bed-wall provides support for the soft tweed inner and double-sided cushion, creating the perfect spot to snuggle up and relax after a long country walk.

Machine washable, the inner foam wall is completely removable via the internal zip, allowing you to clean the bed and cushion with convenience and no fuss.

Thoughtfully designed, the bed is perfectly sustainable no matter how muddy or wet your dog likes to get when they're out in the elements.

The perfect place for all breeds & sizes to rest their weary paws as well as a rather smart looking accessory to compliment your favourite 'Le Chateau' wellies by the back door.

Available in four sizes: Small (60cm), Medium (70cm), Large (80cm) & Extra Large (100cm). L & XL - local Branch delivery or C&C only.

Please note that the cushion may appear too small when you first assemble your dog bed. This is completely normal and the cushioning fibres will soon settle as your dog uses the bed.

Recommended size guide available.
