

Manual 6" Black Fence Post Driver with Handles

22-18116

Our Price: £119.99

Description

Manual 6" Black Fence Post Driver with Handles

This high quality, tubular, two handled fence post driver makes it easy to work wooden fence posts deep into the ground.

Manufactured from heavy duty steel with shaped handles for a more secure grip, the tube diameter measures 6 1/2" across and is ideal for driving posts of a smaller diameter into the ground without splitting.

A cost effective alternative for Farmers, Landscapers, Fencing Contractors & Small Holders when the terrain is soft enough to manual handle.
