Description

Saddlers White Tyre Bowl

Made from strong Polypropylene, this round shaped feeding bowl drops perfectly into any old 14" tyre.

Non-toxic, it's ideal for horses and other small animals as can be left unattended without risk of harm or injury.

Great for bucket monsters who like to paw, grab & throw buckets around with expensive feed stuffs being wasted in bedding or trampled into the grass.

Perfect too for animals needing large feeds, enabling them to eat at their own pace without tipping over.

Easy to clean and totally weatherproof for year round use.

Dimensions: 54 x 1.33 x 20cm.
