Husqvarna Automower 415X

HV-MW415X

Description

Husqvarna Automower 415X

400 series robotic mowers offer the highest cutting capacities, the lowest noise levels and the most advanced features. They can handle small to large uneven, very complex lawns with ease. Additional 400 series features include, excellent terrain performance for uneven areas, Ultrasilent drive motors for no disturbance, up to 70% slope capabilities and electric height adjustment. All models feature added intelligence including GPS assisted navigation for efficient lawn coverage in complex areas.

Husqvarna Automower® 415X - a reliable and high-performance model in the X-line series, suited for the midsized lawn. It mows complicated lawns up to 1500 m², featuring systematic passage mowing for perfectly cut narrow passages and it easily handles slopes with an incline of 40%. Carefree operation thanks to electric cutting height adjustment, TargetHeight function, frost guard and weather timer. Easily cleaned and washed off with a hose. As a member of our premium X-line range, it features Automower® Connect with GPS theft tracking and GPS-assisted navigation to keep you in control where ever you are and X-line design with LED Headlights, front bumper and special coloured wheel caps. Also equipped with FOTA (automatic firmware updates over the air).
