Honda HHB36 AXB Cordless Leaf Blower – Shell Only

HD-HHB36AXB

Our Price: £229

Description

Honda HHB36 AXB Cordless Leaf Blower

Honda's cordless leaf blower makes light work of your outdoor tasks. The HHB 36 runs on a brushless EC motor, built to deliver all the power you need. And because it is certified to IPX4 for water-resistance, it is usable all year round.

The leaf blower can operate at variable speeds with interchangeable nozzles, so you can blast through dry, wet or heavy debris – whatever the job demands. Its belt-mounted, quick release battery can be adjusted for left or right-handed use, making the tool itself even lighter to use.

***Battery and Charger sold separately**

Run Times:

- Run time with 4Ah battery: 12 mins
- Run time with a 6Ah battery: 18 mins
- Run time with a 9Ah battery: 27 mins

**Indicative figures only. Varies depending on conditions*

We are an authorised **Honda** dealer and can provide full service back up and maintenance for your Honda equipment.
