

Draper 23258 Fluid Drain Pan 16L Black

41-99048

Our Price: £16

Description

Draper 23258 Fluid Drain Pan 16L Black

Manufactured from high-density Polyethylene with UV stabilizer resistant to most chemicals and solvents.

The black drain pan is used to collect oils based fluids to prevent cross contamination.

Anti-splash lip, large handles & enclosed spout helps reduce spillages.

Diameter: 450mm.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
