Description

Lighthouse LED Elite Camping Lantern 750 Lumens

The Lighthouse LED Elite Camping Lantern uses high-power COB LEDs to provide a safe and portable source of light.

Includes a useful dimmer switch allowing you to set your own illumination; from a low-level reading light to an ultra-bright flood of light.

Complete with impact-resistant case that has an integrated folding hanging/carry handle.

Ideal for camping or fishing trips, and for use during power failures and roadside emergencies.

Run Time: High 4Hrs | Low 20Hrs.

3 x AA Cell Batteries supplied.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
