Description

Honda FG320 Mid-Size Tiller

Honda's compact tillers are light enough to be highly manoeuvrable, but heavy duty enough to cope with harder gardening tasks. Thanks to a powerful Honda engine and a manual gearbox, you can optimise both speed, power and comfortable use. The FG320 comes with 1 forward and 1 reverse gear.

The FG320 can also be fitted with a range of attachments including multiple tine, scarifier, ridger, potato lifter, plough or snow blade.

We are an authorised **Honda** dealer and can provide full service back up and maintenance for your Honda equipment.
