Haix Protector Forest 2.0 GTX Lime Green Chainsaw Boots

Your reliable companion in the forest, the Protector Forest 2.0 GTX offers Class 2 cut protection meaning your feet stay safe from chainsaw cuts at a running speed of up to 24m/s.

Assuring comfort, even on long days, these boots are constructed on a specially designed last, fully waterproof thanks to a three-layer GORE-TEX® membrane and feature a breathable climate system that works like air conditioning in a shoe.

Meeting the highest safety requirements, the protective cap is made of shock resistant steel and anatomically shaped plus a puncture resistant soles ensures protection when stepping on sharp edged objects. Get even more out of your Protector Forest 2.0 with optional Grips & Spikes.

Certified: CE 0193 EN ISO 20345:2011 S3 HRO HI CI WR / CE EN ISO 17249:2013 + AC:2014 - Level 2.

We are able to offer zero rate VAT on safety boots purchased by an individual for his/her own use. Please use voucher code novat when you check out.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
